

QUALITY CONTROL & QUALITY ASSURANCE POLICY

It is well aware that every project that our team has undertaken, advised or contributed to in any way must be meticulously addressed with the same Quality Control and Quality Assurance policy, regardless of volume, contract price or duration.

Our Company's Quality Policy has been identified as;

- Being a reliable and sought-after company in an understanding that fully meets the needs and expectations of its customers in all processes,
- To closely follow and implement technological developments to reduce costs and increase profitability,
- Continuously raise the quality level by giving importance to team work so that all employees are more competent and able to use their talents at the highest level within the framework of quality systems,
- Ensure quality, awareness,
- Cooperate with suppliers and suppliers based on trust,
- To transfer our existing technical, administrative and financial know-how abroad to serve the purpose of making our company and Turkey better known to the world,
- By producing the most appropriate, right and most economical solutions in the fastest way, avoiding the inconveniences that may arise later,
- Completely complete each project in time, fully compatible with the project with the highest level techniques, within the desired qualities and budget limits,
- Being a model organization that respects the gathering and environment we are in, and contributing to the national economy by continuously improving the business volume.

The primary overall responsibility for QUALITY CONTROL & QUALITY ASSURANCE of the Company and its personnel is vested in the Company's Corporate QA/QC Manager.

The Company will provide full support to the QA/QC Manager, who is obliged to ensure and monitor this policy and to ensure that all employees of this policy are exercised and to strive for this endeavor.

If necessary, our company will receive consultancy service from experts or institutions having quality control and quality assurance in the 2nd and 3rd parties.

Yakut Uzunçam / Managing Director - April-2017 – Istanbul
